Whereas, on September 9, 2014 the Trademark Trial and Appeal Board entered judgment against respondent, granted the petition to cancel and stated that Registration No. 4283988 would be cancelled in due course.

On September 15, 2014, a Commissioner's order issued cancelling Registration No. 4283988.

However, it has come to the Board's attention that due to an inadvertent clerical error, the Board cancelled Registration No. 4283988 instead of counterclaim Registration No. 1704384.

The Board regrets the error and any resulting inconvenience to the parties. In view thereof, the order issued by the Commissioner cancelling

Cancellation No. 92058000

Registration No. 4283988 in its entirety is vacated and Registration No. 4283988 is reinstated and remains in full force as of its original registration date.
